STAR SIGNALS

BIG NEWS!
★★★★★ Yahoo! A lot has been happening since our last *Star Signals*. So, sit back while I fill you in on the news . . .

Every day editors Sid Jacobson and Larry Hama and I receive a few sacks full of mail about **Star Comics**. It's real obvious that you like what you've seen so far . . . but you want more! Much of what's written contains a request for still more! Well, gang, the bosss! Sid, Larry and I are proud to announce the addition of . . . not *one* . . . not *two* . . . but *three* brand-new super-**Star** titles!

THE CARE BEARS ARE COMING!
★★★★★ A few months ago, I asked you to write and tell me which characters you'd most like to see join our **Star** line-up.

The *number one* choice was the **Care Bears!** Tenderheart Bear, Cheer Bear, Love-a-lot and all the rest of those wonderful characters from Care-a-lot will soon be here in their very own **Star Comic**. The very first issue will be written and drawn by Howie Post (whose work on the **Wizard** and **Strawberry Short-cake**). Trust me . . . you won't want to miss it! (By the way, I'm sure you've seen our four or five times already . . . just in case, when we met the *Care Bear Cousins* for the first time, and, of course, the *Care Bear Stare*! What did you like about it?)

BEWARE . . . THE THUNDERCATS!
★★★★★ From beyond any known galaxy, bringing with them the laws and ideals of their doomed planet, ThunDERa . . . come the **Thundercats**! Lion-O, the invisible, CHEETARA the Quick, WILYKAT and WILYKIT the cunning junior duo, PANTHRO the deadly, and all are sworn to serve their young lord, LION-O, and to instruct him in the secrets of his mystic *Sword Of Omens*, which is the source of the **Thundercats'** power!

If you've already seen the hit television movie which tells the origin of the **Thundercats**, then you know what's in store. If you don't, don't worry — you'll be able to catch them every day in their thrilling new animated series which begins soon. Keep your eyes open; I'm sure the very first episode will be on a second time. I know I do!)

★★★★★ Everybody knows R2D2 and C3PO, and starting this September, they will be appearing in an all-new animated television show . . . called **Droids**! They'll have their very own comic book from **Star**! The stories will be about their adventures before they met Princess Leia and Luke Skywalker. You'll meet some of their former owners, and see them face villains, rescue people in trouble and battle enemy spaceships! (If you're interested in their adventures *after* they met Luke and Leia, you might want to pick up the **Star Wars** comic book which is published by **Marvel**!)

NEW EDITORS!
★★★★★ To help produce these three terrific titles, I've been given the aid of two new editors . . . Mike Gold and Ellen Wolf! Mike will be doing **Care Bears**.

Welcome aboard, Mike and Ellen!

CONGRATULATIONS ARE IN ORDER!
★★★★★ Before I leave, I want to share one more piece of news with you. Sid Jacobson has become a father! A baby girl has appeared on the scene, and she arrived in late June or early July. We at **Star Comics** know this is one novel that's guaranteed to top the best-seller lists, and we're all real proud of Sid! We wish him the best of luck . . . and we know that you do, too!

Sid has been known to convince him to write an occasional letter column. He's good at that, too!

Until next month . . .

Thanks for being there!

Tom DeFalco, S.T.A.R.
